Dear Class of 1961 and Friends:

It's been 45 years since we graduated and 20 years since our last gathering. It's time to celebrate! We want to see you and hear about what you've been doing all these years.

Southwestern University Homecoming and Reunion Weekend is November 3-5, 2006. We're having a class reunion party on Friday, November 3 at 7:00 p.m. at the Julie Puett Howry Center—a relatively new building east of Kurth Hall, near the tennis courts and the baseball field, with a sizeable parking lot across the street. It will be a great place to spend a few hours with your friends and classmates. And, you'll be present for the world premiere of a very special photo documentary starring you and the rest of the Class of 1961. We'll have heavy hors d'oeuvres and assorted beverages. The cost is \$25 per person. You can find detailed information for the reunion by visiting the Association of Southwestern University Alumni Web site ([www.sugrads.org](http://www.sugrads.org)) and clicking on "Reunions."

Homecoming is a great chance to tour the campus and see all of the changes and additions. We think you will be surprised and pleased. Be sure to visit the new Alumni Center in the Cullen Building and get your Alumni ID card made.

Homecoming also includes lots of campus-wide events such as SING!, the Homecoming Parade, Alumni University, the Jameson Memorial 5K Fun Run/Walk, the Picnic, and open houses and receptions. The Homecoming invitation will be mailed later this summer. Once you receive it, you will be able to register for our party and other Homecoming events online ([www.sugrads.org](http://www.sugrads.org)), by calling the Office of Alumni Relations (1-800-960-6363), or by sending in the registration form attached to the formal invitation.

The reunion party will be so much better with you there. Be sure to sign up early and encourage your friends to come. Check the "Look Who's Coming" section on our reunion Web site to see who is attending. You may contribute to the photo documentary as well by sending photographs from our college days to Nancy Seerden Jennings '61. You may e-mail them to [jennings-satx@sbcglobal.net](mailto:jennings-satx@sbcglobal.net) or you may mail them to 6317 Eastwind, San Antonio, TX 78249 by September 15. We will return any prints that are submitted, so please be sure to include your name and address on each photo.

Forty-five years? It feels like it was just yesterday. Come back to Southwestern and let us see what a star you still are!

Sincerely,  
The Class of 1961 Reunion Planning Committee
