Dear Class of 1966 Alumni:

It's time for our class to "**Hit the road to Georgetown**" for a memorable reunion—40 years since we received our degrees on the stage of Alma Thomas Theater! We want you to have plenty of time to plan on attending. No, we don't mean start the diet, walk four miles a day, consider Botox cosmetic or hair implants! All of us have changed, so don't panic. We want you to come to our reunion party just the way you are.

Homecoming and Reunion Weekend is scheduled for November 3-5, 2006. Those of us who have regularly returned to Georgetown for our reunion parties know what great fun they are. We gather as long-time friends who want to know what is going on with each other and what is new at Southwestern. This year we will experience some fresh ideas for Homecoming as we hold our party on campus at the Julie Puett Howry Center on Saturday, November 4 at 7 p.m. (\$25 per person). Our Reunion Planning Committee met on campus last January and unanimously decided to hold the party on campus so that all of you can witness the changes that have been made at SU—new buildings, new Homecoming events, new relationships with alumni.

You will want to arrive on campus Saturday morning to participate in the Jameson Memorial 5K Fun Run/Walk and to applaud our class's entry in the Homecoming parade. Enjoy a BBQ lunch with our fellow alumni on the Academic Mall then participate in Alumni University with invigorating presentations made by outstanding alumni and SU professors. Attend the open houses and receptions sponsored by various campus organizations. Drop by the Alumni Hospitality House at the San Gabriel House and relax with old friends from the classes before and after 1966. After that, join our class for Mexican food and cold beverages at the Howry Center to end a fun-filled day. Close out the weekend with chapel and brunch on Sunday morning before you head for home. Sounds great, doesn't it?

As we move towards this important reunion, we need your help. **Complete the Class Memory Book questionnaire** enclosed and mail it to Kaaren Sullivan, P.O. Box 189, Woodville, TX 75979 by September 15, 2006. **Spread the word** to any former classmates with whom you still correspond and encourage them to attend. When the formal Homecoming invitation arrives, be sure to **register**. Visit our reunion Web site (www.sugrads.org, click on "Reunions") to view all of our reunion plans. Contact Russell Ramsey (rjrdived@aol.com) if you can **work on the parade float** or **construct the class message board** with memorabilia from our years at SU.

Forty years means that lots of changes have occurred, but our Southwestern ties remain the same. Come back to the University that played a significant role in shaping our learning, our values, and our friendships. Remember that on November 4, 2006, "**ALL ROADS LEAD TO GEORGETOWN!**"

Sincerely,

The Class of 1966 Reunion Planning Committee
